

WHAT QUESTIONS TO ASK

when conducting a
values-based job
search!

Use these questions to narrow down what is important to you at your future company!

Do you want to work for an enterprise company with thousands of employees worldwide or a small company/startup?

Do you want to work for a company that prioritizes your upskilling and development?

Do you want to be fully remote or work in a hybrid or in-person office?

Do you want a company that is close-knit and collaborates?

Do you want a company that has a well-defined career ladder?

Do you want a company that prioritizes employee well-being?

Do you want a specialized role or one where you wear multiple hats?
